

Key Contact List

Educational efforts for safety have more impact when there is community involvement and support in organizing and carrying out the project. Below is a list of potential contacts who may be interested in participating or supporting this project. Communities vary as to which services are available and which are most active. These are just suggestions; customize this list for your community.

Agricultural and rural health/safety clinics	Local chapter(s) of FFA
Agricultural and rural organizations	Local 4-H club(s)
Commodity groups	Local youth group(s)
Community colleges	Financial institutions
Cooperatives	Hospitals and health professionals
Cooperative Extension Service	Insurance companies
Farm business consultants	Utility companies
Farm business managers	Wellness programs
Farm equipment and supply dealers	Veterinarians
Local chapter of Farm Safety 4 Just Kids	Fire departments
	Civic groups

Groups in our community that can help:
